Fraud alerts delivered by two-way text

Your TCF® debit card is automatically covered under Visa's Fraud Alerts program, which provides protection against fraudulent transactions. With Fraud Alerts, Visa® constantly scans your card transactions for suspicious activity and alerts TCF about questionable transactions. To safeguard your security, we will decline suspicious charges. We will then notify you to verify the legitimacy of the questionable charges. We will notify you by automated phone messaging or, if you elected to provide a mobile phone number to TCF for communications, by SMS text message to your wireless phone or device.

Fraud Alerts text messaging frequency depends on account activity. For more information, TEXT HELP to 23618. To cancel Fraud Alerts text messaging services at any time reply STOP to any alert from your mobile device.

For Fraud Alerts support, call 800-823-2265 (TTY 800-343-6145). By giving us your mobile number, you agree that Fraud Alerts text messaging is authorized to notify you of suspected incidents of financial or identity fraud.

HELP instructions: Text HELP to 23618 for help or call 800-TCF-BANK (TTY 800-343-6145).

STOP instructions: Text STOP to 23618 to cancel

Fraud Alerts sent via text messaging may not be delivered to you if your phone is not in the range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within coverage, factors beyond the control of any carrier may interfere with messages delivery for which the carrier is not responsible. No carrier will guarantee that alerts will be delivered.
